Date of the Conference: (7– 09 October, 2025)/ (ربيع الثاني، 14-16 1447)

The Impact of the Amir al-Mu'minin's (H.T.W) Decrees on Islamic Leadership, Social, Political, Economic, Cultural, and Sharia Developments.

Call for Scientific Papers

Main Themes of the Conference

1. The impact of the Amir al-Mu'minin's decrees in the fields of enjoining good and forbidding evil laws, the penal system, national intellectual awakening, moral reform, intellectual purification, intellectual independence, and preservation of historical identity.
2. The impact of the Amir al-Mu'minin's decrees on safeguarding the Islamic and Afghan responsibility of media, combating false propaganda and media intellectual invasion, preserving cultural independence, and countering cultural aggression.
3. The impact of the Amir al-Mu'minin's decrees on the structure of the Islamic system, political legitimacy, foreign policy, intellectual principles of international relations, and unity of the Islamic Ummah, along with historical comparisons and examples from Islamic history.
4. The impact of the Amir al-Mu'minin's decrees on economic justice, public treasury (Bayt al-Mal), national self-sufficiency, mines, usurped lands, national projects, natural resources, water, forests, Islamic banking, and trade.
5. The Amir al-Mu'minin's decrees regarding the Sharia obligations of security institutions in preventing crimes for the sake of public peace and security.
6. The impact of the Amir al-Mu'minin's decrees and directives in establishing appropriate administrative structures as needed and providing public services through short and simple means.
7. The impact of the Amir al-Mu'minin's guidance on the reform of school and university curricula within the Islamic and Sharia framework, and the preservation of Islamic values and thoughts within them.
8. The impact of the Amir al-Mu'minin's decrees on the lawful use of modern technologies and the control of social media and digital space.

Conference Objectives

1. To examine the effects of the Amir al-Mu'minin's decrees in the fields of Sharia, society, politics, economy, and culture.
2. To explore the wisdom, philosophy, and Sharia foundations of the Amir al-Mu'minin's decrees and thereby create an atmosphere of trust between the people and the leadership of the Islamic system.
3. To analyze the policies of the Islamic system in the light of the Amir al-Mu'minin's guidance and decrees and to obtain scholarly recommendations, suggestions, and support for their strengthening.
4. To create a national dialogue among religious, academic, and professional figures regarding the impact of the Amir al-Mu'minin's decrees.
5. To explain globally the intellectual image of Islamic governance and to clarify the nature, vision, and Sharia-based perspective of Islamic leadership regarding all aspects of society.

Benefits of Participation in the Conference:

- The top-selected articles will be published in an international journal with the support of the Ministry of Higher Education.
- The research papers of those scholars who have passed their Master's examinations but have not yet completed their theses will be considered as equivalent to a thesis if their papers are accepted by this conference.
- Second-ranked papers will be published in the scientific-research journal (Wardika) of the Faculty of Social Sciences at the Wardak University.
- Third-ranked papers will be published in the general proceedings of the conference.
- Accommodation and expenses for paper presenters will be arranged during the conference.
- Cash and non-cash prizes have been allocated for top authors and researchers.

Members of the academic community across the country, scholars, researchers, specialists, and enthusiasts, can submit their papers to us via the following contact details:
